DEDICATION

Dr. Henry Earl Outlaw

Henry Outlaw left Baldwin, Mississippi in the fall of 1957, headed for Delta State, hopeful of playing football for the Statesmen. He arrived on the back of a Harley-Davidson motorcycle and entered the office of Miss Katie D. Mauldin, Registrar, ready to begin his academic journey. Henry remembers that day as a life-changing, transforming experience where he heard for the first time, "the dogs barking an octave too high." Henry's football days were shortlived, but his career as a scientist and as a teacher that began that day, has lasted for a lifetime. After completing a baccalaureate degree in chemistry in 1961, he enrolled in graduate school in the University of Mississippi Medical Center and earned a Ph.D. in 1965. He accepted a faculty position in chemistry at Delta State in 1966 and became Department Chair in 1969. For the past 35 years, Dr. Henry Outlaw has served as mentor, teacher, and friend, to countless science students. His academic legacy is the contributions of those students who have gone on to achieve distinction. More importantly is his personal legacy wherein he has touched the lives of untold students who have benefited from his advice and counsel as friend. He and his wife, Brenda, have 2 children and 2 grandchildren.

Bill Pennington has been resident philosopher on the Delta State campus since 1967, and in that time has trained thousands of students in the history and habits of the philosophic mind with courses such as Ethics, Creative and Critical Thinking, and Philosophy of Religion. Teaching is a vital part of his life, and he does it thoroughly. His lectures are memorable and his oral exams are legendary. "If students are seeking an easy way out of college," one student wrote, "then they should avoid Pennington's courses, but if they are hoping for a deeper understanding of life and a greater knowledge of this world and all its depth, truth and perception, then they are searching for a professor of Pennington's quality." Dr. Pennington is an ordained minister in the United Methodist Church. He has held workshops and taught courses through the Humanities Council. He is also a skilled gardener. Dr. Pennington was born in Aberdeen. He holds the BA in Philosophy from Millsaps College, the M.Div in Systematic Theology from Emory University and the Ph.D. from the University of Mississippi. He and his wife, Jacqueline, have a son, 2 daughters, and 6 grandchildren.

Dr. William Arthur Pennington

Sam Glen Britt

Sammy Britt began teaching at Delta State in 1966, when painting and drawing were taught in a hut near Zeigel. The less than ideal teaching facilities did not stop his enthusiasm when it came to inspiring students to excel. Through four DSU presidents, several department moves and building projects, Sammy's love for teaching has continued unabated. He has inspired generations of students, many going on to become professional artist, designers and teachers. His students have realized the genuine love and concern of a master teacher.

Sammy studied at The Memphis Academy of Art, University of Mississippi and Frudakis Academy of the FineArts. His main influence and inspiration comes from Henry Henschel, the founder of the Cape Cod School of Painting. The years with Henschel combined with his own work has led Sammy to become an authority in color painting. He is recognized worldwide as a leader and his workshops are highly successful.

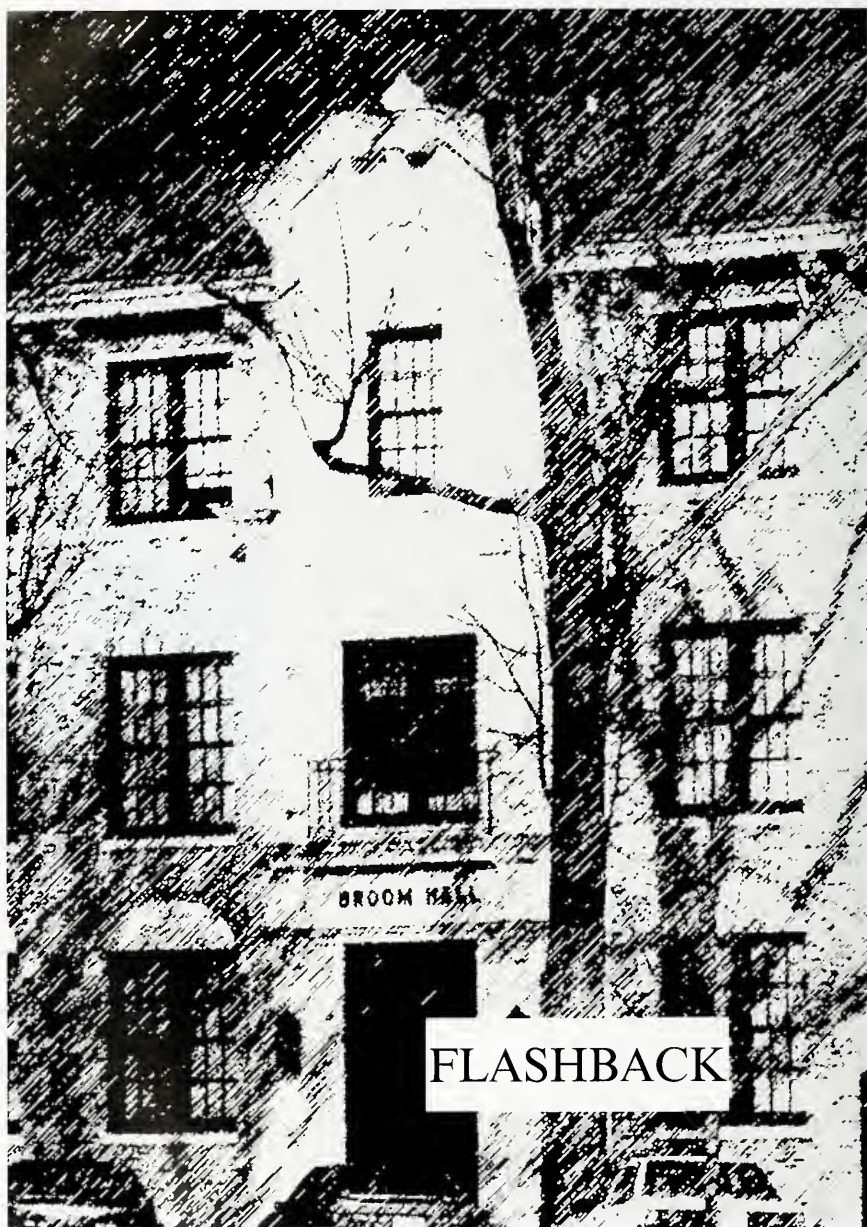

Just outside the DSU art buildings, students still paint the brick arrangements set up in the sunlight. Sammy is still the patient teacher coaxing students to reach beyond themselves to see another artistic reality.

Dan Nixon moved from Skene to Cleveland to finish at Cleveland High School. He graduated from Delta State with a degree in accounting and a minor in math. Following graduation, he joined the U.S. Army and went to Korea. Upon return to civilian life, in 1961, Dan was employed by Atkins Saw, a division of Borg-Warner, in Greenville. In July 1965, he went to work for Delta State, and though his title has changed, his job has been that of chief accountant. A quiet, honest man of principle, who also loves to play practical jokes, Dan has provided leadership for the last 35 years. Dan and his wife Candace have 2 children, Melanie and Scott, both DSU graduates, and 4 grandchildren. Dan and Candace plan to spend more time with their grandchildren, travel, and Dan hopes to provide service to his church following his retirement in December 2000. Perhaps he will have more time for golf, a favorite hobby. Candace said of Dan's years with Delta State: "He loves his job. He will miss it and the people with whom he worked closely." In recognition of his years of service to the university and influence upon its students, faculty and staff, Dan received the H.L. Nowell Outstanding Staff Award in May 2000.

Dear Fellow Students,

As we close the book on this momentous year, I would like to take a moment to reflect on the time we have spent together as a student body.

We have been witness to many historical events as we have watched our campus change before our very eyes. This year we celebrated DSU's 75th anniversary and gained an appreciation for the rich heritage and strong values on which Delta State was built. We watched our campus expand by leaps and bounds with the addition of the Brice Griffith Indoor Baseball Practice Facility, the aquatic center, and the new men's residence hall. Also, we received a face-lift with the addition of the fence enclosing the front of the campus. How exciting it has been to watch these piles of brick and mortar transform into DSU landmarks for our future generations to use and enjoy.

This year has been very exciting for the Student Government Association as well. You might have noticed many changes have been made on campus, thanks to the SGA officials. The Executive Cabinet has worked tirelessly to represent you, the student body, and to make this campus a better place in which to learn, work, and live. These individuals should be commended for their dedication, hard work, and a job well done.

I would personally like to thank the student body for allowing me to serve as your SGA President. It has been an incredible experience. I have enjoyed the opportunity of getting to represent my University and its students to various local, state, national, and international leaders. What a pleasure it has been to be able to say that I come from the "friendliest school in the South."

As Robert F. Kennedy once said, "Few will have the greatness to bend history itself; but each of us can work to change a small portion of events, and in the total of all those acts will be written the history of this generation." Each student has given a little piece of himself or herself to add another chapter to DSU's history. I challenge you to continue to support our University, and help us to continue our tradition of excellence.

Best wishes to you in all your future endeavors.

Sincerely,

Jason Umfress
SGA President 2000-2001

Dear Students:

We hope that several times in the years ahead you will pick up the Broom and reminisce about your time at Delta State. We hope that when you do so, your memories will be of a university education that encompassed a full range of valuable experiences — succeeding in challenging courses and academic programs, making lifelong friends and getting to know people with widely different backgrounds and personal qualities, feeling the joy of victory as a fan or participant in athletic events, being part of a student organization engaged in activities you liked to share, being inspired by a unique and newly encountered cultural performance, being supported and stimulated by a caring faculty or staff member.

We hope that you will look back on Delta State University as a catalyst for personal growth, an inspiration for good citizenship, and a sound foundation for your life's work. And we hope that this community has served as a nurturing and rich environment for your development and for fond memories.

As you leave Delta State, we wish you Godspeed in your ventures into new worlds. May you be blessed with a life of peace and fulfillment. May you carry the torch of learning and caring for others into new corners of the world. And may you return to this campus many times to celebrate your lifelong membership in the Statesman family.

Sincerely,

David Potter

Delta State adds words to school fight song

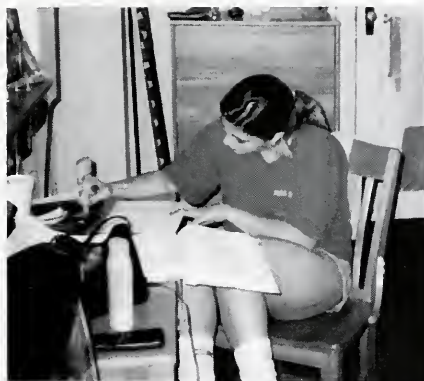

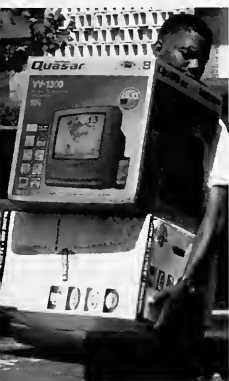

Delta State students J.J. Guidry and Brian and Jennifer Townsend sing the words to the DSU Fight Song they wrote during the fall with the Delta State cheerleaders during a Statesmen's football game.

During the 2000 fall semester, the SGA sponsored a contest to write lyrics to Delta State's Fight Song. The winners of the contest were J.J. Guidry and Brian and Jennifer Townsend.

DSU Fight Song

Hail to our Delta State
 In all her glory
 We sing her praises loud
 And tell her story
 Fight, fight with all of your might
 Fight for the green and white
 We hail to thee our loyalty
 And a Delta State victory

EDITOR'S CLOSING

I would like to thank a very hard-working staff for dedicating their time, energy and effort to help put together a great yearbook. I would also like to thank our advisor, Bill Moses, and our assistant editor, Taylor Wilson, for all of their great new ideas and for all of the time, effort and work they put into this yearbook. I have enjoyed working with such great people. We have tried a couple of changes with the yearbook, including the cover design as well as division page designs. We are very proud of this yearbook. I hope you enjoy looking through the yearbook and reflecting on the memories we have tried to capture. God bless you all, and I hope you have a wonderful summer.

Nicole Gilmer - Editor
